Mini Moments Referral Program

For friends, fans, and local businesses who love to share My Mini Mento

Program Overview

Not every referral is a full event—and that's okay. The **Mini Moments Referral Program** is designed for people and businesses who send us customers purchasing **one or two figurines** or smaller packages under \$1,000.

Whether it's a single keepsake of a beloved pet, a special gift for a grandparent, or a figurine to celebrate a milestone, we'll help your referrals capture their memories in 3D—and thank you with rewards for every qualifying order.

This program is perfect if you love what My Mini Mento does and want an easy, low-pressure way to share it with your community.

Who Should Join?

The Mini Moments Referral Program is ideal for:

- **Boutiques & gift shops** – Recommend 3D figurines as a unique, personalized gift
- **Pet businesses** – Groomers, trainers, pet boutiques, and rescues who serve devoted pet parents
- **Photographers & studios** – Add a 3D keepsake option to your portrait sessions
- **Hair salons, barbers, & beauty pros** – Offer a fun way to capture a client's "best look"
- **Community connectors & influencers** – Anyone whose friends, followers, or clients love meaningful gifts
- **Friends & fans of My Mini Mento** – Grandparents, parents, and memory-keepers who can't wait to share

If your referrals are more likely to purchase **1–2 figurines** rather than a full event package, this is the right program for you.

Capture life's moments. Celebrate them forever.

How You Earn Rewards:

When someone you refer purchases a figurine package under \$1,000, you earn rewards through the Mini Moments Referral Program.

- Refer customers who purchase 1–2 figurines
- Their purchases total under \$1,000 per order
- Each figurine they buy is tracked towards your Mini Moments balance

Once your referred customers' figurine purchases reach a combined total of \$1,500, you'll receive a complimentary 5-inch custom figurine (valued at \$150 retail)—perfect for displaying in your business or enjoying personally.

You can use your rewards for:

- Your own figurines
- Gifts for clients or customers
- Employee recognition or special thank-you gifts
- Thoughtful surprises for family and friends

How It Works

Step 1: Join the Program

Contact our Sales Manager to enroll in the **Mini Moments Referral Program**. We'll provide you with simple talking points and digital assets you can share by email, text, or social media.

Step 2: Share My Mini Mento

When you spot a perfect “mini moment”:

- Mention My Mini Mento in conversation
- Share our website or referral link
- Display our cards or flyers (if you're a business)

You don't have to manage bookings—we handle everything.

Capture life's moments. Celebrate them forever.

Step 3: Your Customer Mentions You

When your referral reaches out to My Mini Mento, they simply **mention your name or business**. We'll tie that order to your account.

Step 4: Get Rewarded

Once their order is completed and paid, we'll track the purchase and send you your Mini Moments rewards according to the program terms.

Why Join Mini Moments?

- **Easy to participate** – No event coordination or complex setup
- **Perfect for small, meaningful referrals** – Even one figurine matters
- **Strengthen relationships** – Offer your customers, clients, or friends a unique way to preserve memories
- **Aligned with your values** – Help people celebrate the moments that matter most

Is Mini Moments Right for You?

Choose **Mini Moments** if your referrals typically:

- Purchase **1–2 figurines**
- Are celebrating personal milestones, pets, or small occasions
- Are not booking a full event package with pre-purchased figurines

If you regularly refer **weddings, corporate events, or venue-based bookings** with pre-purchased figurine quantities, you may be a better fit for our **Signature Event Partner Program**.

Ready to Share Mini Moments?

Let's make it easy for the people you know to turn their favorite memories into 3D keepsakes—and reward you for helping them discover My Mini Mento.
